CAMERON Diaz (above) is back on **Alex Rodriguez's** home turf after being linked to the Yankee slugger. The actress, who's currently filming in LA with her ex, **Justin Timberlake**, flew to Miami last week and holed herself up at the W Hotel. But A-Rod has been busy at the stadium all week in New York. A source told us, "They've been hanging at A-Rod's multimillion-dollar bungalow at W South Beach Residences in the past. He jets in and out of Miami all the time."
